ORDER:

This department, being advisory department to all the departments of A.P.Secretariat and that all the files are being processed through e-office, the online search system is very important in disposing of the files. "Manupatra" is the only online search system in Law Department that is being used, due to which officers and staffs are facing lot of inconvenience in using the online search source as this being a single user. Further, the library of this department is not fully established due to lack of racks, it is necessary to subscribe for another online search source for smooth functioning of the department.

2. Government, after careful consideration of the matter, accept the quotation submitted by Lexis India and accordingly the Online Legal Research Source is subscribed @ Rs.40,000/- per annum w.e.f. 23.03.2017 for two User Ids.
